7th July 2022

Dear Parents and Carers,

We are delighted to be able to tell you that after some days of interviews, discussions and conversations with existing staff and new applicants, we are fully staffed across the Federation for September 2022. The details of this are below.

It has been pleasing to note that some members of staff have rescinded their resignations: this is because they are attracted by the new and fresh approach and additional professional opportunities that are now on offer.

We have also been able to 'reshuffle' colleagues across schools and the Federation to better suit their strengths, interests, skills, and experience.

It has also given us the opportunity to secure a breadth of subject specialisms across the Federation allowing staff to take ownership of certain parts of the curriculum.

We have also as you know secured the services of Victoria Kirkman and Chris Whitehead as our Executive Headteachers until the date of conversion to Academy status.

This has been quite a time-consuming process and we thank you for your patience and understanding. I think you will agree that our new staffing model meets the needs of all our children and will allow us to deliver a first-class experience to them all.

I would like to wish you all a pleasant summer break and I hope the weather is kind to us all.

Kind Regards

Anne Vetch
