WORSHIP THEME OF THE WEEK

JOSTLING FOR POSITION

This week we explored what it means to be the greatest

***Stay and Play** - Reception, Year 1 and Year 2 parents are invited to come and experience an afternoon with their children in Swallows class. It is a wonderful opportunity to let your children show you their class, their favourite things and what they've been learning.

★ S.T.A.R. of the Week ★

Congratulations to all our stars of the week who have all demonstrated our 'Aspire', 'Respect' and 'Share' Star qualities this week.

Falcons: Niamh for 'Respect'. One way of showing respect is remembering what someone has said, and acting on what that person suggested. Niamh, I was really pleased when you acted upon a suggestion I had made about your writing. Thank you.

Robins: Ava for 'Respect'. Ava, you have settled so well into Robins Class and the challenges of year 3; you have such a positive and enthusiastic attitude, and you are always respectful and ready to learn. What a star!

Swallows: Jensen for 'Aspire'. Jensen has produced some super Maths this week! He has been using his known facts to reason and has been working really hard. Well done Jensen!

Ducklings: James for 'Share'. James has had an amazing week this week. He has enjoyed playing dinosaurs with the other the other children. Well done James!

Goldilocks: # A Cautionary Tale

Instagram, Facebook, Snapchat, YouTube, Twitch... the sheer number of social websites in today's world can feel endless. So, perhaps it's not too surprising that 48% of children have been exposed to social media by age seven.

But before you despair, let's take stock of all the positive outcomes these platforms can have – rallying real change, bridging distances, building communities. The problem is not social media in and of itself. It's how it's used.

That's why we want to help parents like you have important conversations with your children early on about how to build a healthy relationship with social media.

#Goldilocks is a modern twist on the classic fairy tale that offers a fun and accessible way for you to discuss all things social media related with your younger children. Co-branded by Vodafone UK and Andersen Press, award-winning author Jeanne Willis created the light-hearted story alongside illustrator Tony Ross. The book is designed to help educate children about the potential consequences of being unkind, getting carried away with selfies, or oversharing images, as we see Goldilocks getting into trouble with the three bears over her pursuit of likes on social media....
