Questions for parents	Please add comments
To what extent does this school take the safeguarding and wellbeing of pupils seriously?	
How confident are you about your child's safety at school? Why/why not?	
How does the school provide guidance to you as parents to help you to keep your child safe e.g. online safety guidance?	
Is there any way that you feel that the school could further improve its policies and procedures to keep children safe?	
How do you communicate with the school if you think there is a problem with regard to an aspect of safety?	
What are the school's procedures if a child is absent from school?	
Could any procedure relating to attendance/absence be improved?	
Do you know how to access key school policies relating to safeguarding? Do you ever look at these?	
Has the school ever invited you to review key policies e.g. anti-bullying policy, relationships and sex education?	
If you have had a concern e.g. about bullying, what would you do about it? Would you feel confident that the school would be able to sort it out?
