Dear Parents and Carers

Year 6 Residential Low Mill Outdoor Education Centre:

Wednesday 19th – Friday 21st July 2023

Further to our communication last week, I am delighted to attach a parent information booklet from Low Mill to provide more information about their centre and the residential group visits they provide.

Again, this will be a fantastic opportunity, for not only the valuable life experiences and memories it will provide but also for the additional opportunity for our Year 6 pupils to socialise with their peers from Admiral Long CE, Beckwithshaw, Birstwith and Kettlesing Primary Schools and further support their Secondary Transition.

After half term, a manager from Low Mill will be holding a parent/carer information meeting to provide further details of the residential visit and answer any questions you may have.

We are yet to finalise the exact costs for the trip but we currently estimate this to not exceed £215 per child. This would be payable in instalments with an initial deposit of 20% to be paid. We fully appreciate the financial implications of this visit and with this in mind, are requesting expressions of interest with the return below, sent to school no later than Friday 3rd February.

Your expression of interest will enable us to finalise arrangements and costings in order for us to provide precise information regarding payment plans.

My child: would like to participate in the Low Mill Residential on Wednesday 19th – Friday 21st July 2023

My child: would not like to participate in the Low Mill Residential on Wednesday 19th – Friday 21st July 2023
