

RIPLLEY ENDOWED CE PRIMARY SCHOOL

WEEKLY NEWSLETTER – 24TH JUNE 2022

HEADTEACHER UPDATE

Dear Parents and Carers,

I hope you are all enjoying this wonderful summer sun and looking forward to the remaining few weeks of term. It is hard to believe that already we are heading to the end of this academic year with just 4 weeks left to go.

Our children continue to work incredibly hard and staff remain committed to ensuring your children end the academic year full of rich, curriculum experiences.

We say a HUGE 'well done' to our Year 6 and Year 2 who have completed their SATs; to Year 1 for working hard to complete their Phonics Screening Check; Year 4 for their work on the Multiplication Times Table check and our Reception children who have worked hard all year to secure a Good Level of Development. Results of these assessments will be in your child's report at the end of the academic year. Thank you to you all for supporting your child's education at school throughout this year.

We will also be saying goodbye to our Year 6 across the Federation as they prepare to transition onto secondary school in September.

We are busy working on the class and staffing arrangements for September as per the letter from the IEB this week. Please rest assured that Mr Whithead and I are wholly committed to ensuring this is resolved successfully and will be able to give you further information in the coming weeks.

As stated at the top of this message to you all, we are now enjoying the summer sun and the delightful outdoor experiences this weather brings. Please do remember to send your child in with a water bottle, a hat and SPF cream applied before school for sun protection.

Thank you for your commitments and support of your child's school – it is greatly appreciated.

Warmest regards,

Miss Victoria Kirkman

Interim Executive Headteacher

STAFF ANNOUNCEMENTS

At the end of the Summer term we will be saying goodbye to Mrs Walker, Mrs Coe and Miss Lawes. We would like to take this opportunity to say a huge thank you for everything they have done and their commitment to the school over the years, and wish them every success in the future.

Recruitment is the highest priority of both the I.E.B. and Elevate and that process is well underway.

Appointments will be communicated to parents towards the end of the Summer term. We have plans in place to appoint a permanent Headteacher, but we are hopeful that the current Interim Leadership will remain until conversion/handover to ensure consistency.

Jubilee Book

All children from Reception to Yr. 6, have received a free commemorative book to mark Queen Elizabeth's Platinum Jubilee from the DFE in collaboration with DK books.

Designed as an official once-in-a-lifetime commemoration of the Platinum Jubilee and written in collaboration with royal experts and historians, the book tells the story of a young girl, Isabella, visiting her Great Granny Joyce who tells her about the Queen and this year's Jubilee.

Safeguarding

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

<http://www.nationalonlinesafety.com>

Switched On - There is a rail safety programme for 3-16s that encourages young people to stay **Switched On** around the railway.

Through a range of age targeted films, interactive games and activities, Switched On teaches pupils to be aware of risky behaviour and develop hazard-spotting skills.

<https://switchedonrailsafety.co.uk/>

Britain's railway is one of the safest and most intensively used rail networks in the world. However, incidents of trespass by children still occur – especially when children are not at school – and safety is the industry's number one priority.

In response, **Switched On** was launched by the rail industry in 2021 to enhance rail safety education provision for children across the UK and mitigate trespass on the rail network.

Switched On exists in the following territories for each age group:

- [Switched On Travels with Suzi](#) (ages 3-6)
- [Switched On for every journey](#) (ages 7-11)
- [Living Switched On](#) (ages 12-16)

Edibles: A number of recent seizures by North Yorkshire Police have identified the prevalence of Edibles within our county. Some of the packaging is shown below. This trend continues to be monitored through the Emerging Drug Trends Group meetings.
